

Do not stand at my grave and weep
I am not there, I do not sleep
I am a thousand winds that blow
I am the diamond glints on snow
I am the sunlight on ripened grain
I am the gentle autumn's rain
When you awaken in the morning's hush
I am the swift uplifting rush
of quiet birds in circled flight
I am the soft stars that shine at night
Do not stand at my grave and cry
I am not there
I did not die

I'm Free

Don't grieve for me, for now I'm free
I'm following the path God laid for me
I took His hand when I heard Him call
I turned my back and left it all
I could not stay another day
To laugh, to love, to work or play
Tasks left undone must stay that way
I found that peace
at the close of the day
If my parting has left a void
Then fill it with remembered joy
A friendship shared, a laugh, a kiss
As yes, these things I too will miss
Be not burdened with times of sorrow
I wish you the sunshine of tomorrow
My life's been full, I savoured much
Good friends, good times, a loved ones' touch
Perhaps my time seemed all too brief
Don't lengthen it now with undue grief
Lift up your heart and share with me
God wanted me now. He set me free
