

*MISS ME BUT LET ME GO*

*When I come to the end of the road  
And the sun has set for me,  
I hope you will realize, my pain at last is free.  
Miss me a little...but not too long  
And not with your head bowed low.  
Remember the love that we once shared;  
Miss me...but let me go.  
For this is a journey that we all must take  
And each must go alone.  
It's all a part of a master plan  
A step on the road to home.  
When you are lonely and sick at heart  
Just go to some friends you know.  
Try burying your sorrows in some good deeds  
Miss me....but let me go.*
